COMPLETE COLLISION SUPPORT

When it comes to repairing your RV after a collision, Lazydays has access to more parts, employs more trained experts and has more experience with bodywork and collision repair than anyone else in the RV industry.

- Heated, down-draft paint booths
- Experts in fiberglass, stainless steel and aluminum repairs
- Perform collision repairs for leading insurance carriers including Progressive, GMAC, Allstate, USAA, Nationwide, and National Interstate
- Experienced paint artisans
- Ability to fabricate parts that are no longer available
- Sophisticated paint matching camera system

Service offering includes:

- Custom paint repairs
- Doors
- Finish buffing
- Decal replacements
- Fabrication
- OEM paint matching
- Diamond Shield and 3M front-end mask
- Fiberglass repair and fabrication
- Roof replacements

Our windshield and glass experts replace hundreds of windshields a year, and can service virtually every make and model. It is also important to monitor the windshield gasket to ensure that it remains watertight. In some coaches, the windshield must be resealed every few years. Our proprietary process to eliminate fog and condensation in side windows can also save you hundreds of dollars by eliminating the need to replace the windows.

- Fogged window repairs (Tampa only)
- Window replacements
- Windshield reset and reseal
- Windshield replacements
- All insurance accepted

COMPLETE IN-HOUSE CHASSIS MAINTENANCE AND REPAIR

There's a lot riding on your chassis – your family's safety and comfort, your possessions and your entire RV lifestyle. While other dealers and repair centers subcontract major repairs and chassis work, Lazydays has the equipment and expertise to handle them on-site. Whether you just need routine maintenance – an oil change, brake service or new RV tires – or require major repairs to your frame, engine or RV electrical systems, we are dedicated to taking care of the work and getting you safely back on the road again.

- Air suspension systems
- Alignment
- Blowout protection (safety bands)
- Brake maintenance and repairs
- Chassis filters
- Chassis maintenance programs
- Cruise control
- Drive shaft
- Engine oil change
- Exhaust system
- Fuel system and tank
- Nitrogen tire inflation
- Radiators
- Rear-end differential
- Serpentine belts
- Shock absorbers
- Tire pressure monitoring
- Tires – truing, balancing, replacements
- Trailer brakes and axles
- Vibration and drivability
- Four-point weight

Certified warranty repair center for:

- Spartan
- Freightliner
- Workhorse
- Roadmaster
